

## Moisturizers

**1 Germaine de Capuccini**  
This fresh lotion from Germaine de Capuccini completes the makeup removal on the skin. Excess fat, pollutants, and imperfections are totally eliminated as a result of its white tea organic extracts and organic vegetal water of barley, orange, and mint shoots which help to recover a suitable level of hydration and an immediate sensation of well being. **Germaine's Hydrating Toning Lotion** leaves skin perfectly cleansed, toned, smooth, and fresh. 800-842-9922 (NE and MW); 888-477-1477 (SE); 800-968-5925 (W), [www.germaine-de-capuccini.us](http://www.germaine-de-capuccini.us), CRR#111

**2 Issimo International**  
Guy Gear's signature moisturizer, **Gush Moisturizer**, is and has always been formulated to work with the skin's auto-corrective system; therefore it is effective for all skin types. Gush uses a small molecular base to easily penetrate into the skin for instant antioxidant and free radical protection. Certified organic and natural ingredients nourish the skin for both visual and tactile improvement. 877-477-4661, [www.issimointernational.com](http://www.issimointernational.com)

**3 Hey Dude Skin Care**  
Hey Dude Skin Care's **moisturize** is a premium, clear nutrient-rich, and oil-free gel boasting quality ingredients including seaweed extracts and hyaluronic acid. Seaweed extracts promote the skin's hydration, as well as improving its texture with anti-inflammatory capabilities. Hyaluronic acid is an outstanding moisturizing ingredient that draws moisture directly from the air. With daily use, this product stimulates new cell growth, while promoting a natural protective barrier on the face. 800-428-4114, [www.heydudeskincare.com](http://www.heydudeskincare.com)

**4 Lotus Moon**  
Lotus Moon's **Aloe Nectar Matte Finish** is an aloe gel base, this moisturizer traps in the skin's natural hydration while adding light moisturizing ingredients such as sunflower seed oil and glycerin. Added antibacterial help from manuka oil and totarol assist in the reduction of breakouts. Rutin helps to tighten and strengthen the capillaries. These fabulous ingredients are paired with the antioxidant help of beta-carotene and roobios extract. These all around benefits improve the health and vitality of your skin. The moisturizer is lightweight, almost airy, goes on smooth, and absorbs easily into the skin. 888-762-2667, [www.lotusmoon.biz](http://www.lotusmoon.biz)

**5 The M'lis Company**  
M'lis **MOISTURIZE** is scientifically formulated to penetrate deep into the dermis layers of the skin to maintain moisture and fight wrinkles at their source. This natural cream benefits delicate facial skin through vitamins, minerals, amino acids, placenta protein, collagen, RNA factor, and other nutrients essential for radiance and health. The advanced MOISTURIZE formulation is water-soluble and adjusts with body chemistry to renew and re-balance moisture reserves, supplementing the natural oils of the skin, and fighting the affects of aging. 800-548-0569, [www.mlis.com](http://www.mlis.com)

**6 Advanced Rejuvenating Concepts**  
**Youthful You Cream w/Progesterone**, from Advanced Rejuvenating Concepts with vitamin E, progesterone USP, and essential oils that assist in skin firming and retention for thin or crepe skin of the face and neck. Natural grape seed and sunflower oil help protect against environmental pollutants and damaging free radicals. 800-689-0499, [www.arcskincare.com](http://www.arcskincare.com), CRR #299

**7 iS CLINICAL® by INNOVATIVE SKINCARE®**  
**MOISTURIZING COMPLEX** from iS CLINICAL® hydrates, soothes, and most importantly, protects skin from environmental damage. This rich, yet easily absorbed, botanical complex creates an antioxidant-rich barrier that seals in moisture and insulates the skin from harmful external oxidative damage. 818-638-8758, [www.isclinical.com](http://www.isclinical.com), CRR# 188
